### Homes for Ukraine Matching Service:

Caritas Social Action Network, in partnership with St John of God Hospitaler Services, an international Catholic Charity with many services for the vulnerable in the UK and Ireland, have launched a service to bring together Ukrainian people displaced by the brutal war in their country with people in the Catholic community willing to host them in their homes for six months. Once the match is confirmed the Ukrainian guest can apply for their visa. We know that coping with the cost-living crisis will be the main concern for many people this winter, but if you have room in your home and in your heart to consider welcoming a stranger displaced by war, then we 'd love to hear from you. Please visit <u>http://sjog-homesforukraine.uk/</u> for more information. Caritas Social Action Network.

### The Victory of Love;

On the cross Jesus endured insults and mockery. Yet his heart remained open, even to his enemies. He absorbed all the violence, transformed it, and returned it as love and forgiveness. One's pain can so easily turn into rage, so that one wants only to lash out blindly at whoever happens to be within range. From the depths of his own pain, Jesus reached out to comfort the thief. Some people are like sugar cane: even when crushed in the mill, what they yield is sweetness. Jesus stretches our capacity for compassion. He challenges our idea of love. Each of us has a great capacity for love. The pity is that it often goes unused. By our love people will know that we are followers of Christ the King.
