**Homes for Ukraine Matching Service:**

Caritas Social Action Network, in partnership with St John of God Hospitaler Services, an international Catholic Charity with many services for the vulnerable in the UK and Ireland, have launched a service to bring together Ukrainian people displaced by the brutal war in their country with people in the Catholic community willing to host them in their homes for six months. Once the match is confirmed the Ukrainian guest can apply for their visa. We know that coping with the cost-living crisis will be the main concern for many people this winter, but if you have room in your home and in your heart to consider welcoming a stranger displaced by war, then we 'd love to hear from you.
